This adult short story is a work of fiction. It is meant for those eighteen and older. There is sexual and taboo content, some of which may not even be possible. All characters are eighteen or older. Though there are inspirations from other fictional sources, any similarity to real people, live or no, is merely coincidental.

Forward

This is the walkthrough and light commentary of the Choose Your Own Adventure story found [here](#). Bubbles state the choices, and if there is sex, descriptive tags are present. Each day primarily features two choices, and not necessarily black and white ones. Most choices provide Advancement Points (two for Rebecca's and one for Kyle/Kylie). Other choices had minor or significant effects to the narrative, especially the ending. Regardless, every presented choice should retain continuity no matter the choices made with the help of underlying dialogue tweaks.

Enjoy!

Of Demons and Choices (Version 1.0): The Walkthrough

Friday Evening

The intro sequence on Friday featured no choices that have significant impact. However, the first choice is actually a meta one that allows for the player to see the stats and brief summary of the game. This choice may be bypassed entirely by clicking “Friday evening.”

The second of these choices only impact dialogue later, without significant impact on the outcomes. It should be noted that every choice starting now will potentially impact dialogue later.

Saturday

The next choice involves Kyle waking up as a woman. The assumption is that this is a dream, which would narratively be reinforced if Kyle just went to sleep earlier. Choosing “dream body” leads to an exploratory masturbation sequence, which essentially foreshadows much of the later sexual relations of the female Kyle. Both choices lead to Rebecca’s explanation. It may be assumed that Rebecca observes the “dream body” sequence.

After the wild explanation, Rebecca presents the next choice. These have a direct impact on Kyle's future, including the first possible ending. It is possible to loop back to make the other choice if Counter Deal is chosen. In a future update of the game, God Mode may add this "rewind" ability for all substantial choices presented.

Counter Deal
N/A
***Ending 1: The Normal
Path***

Agreeing to the Deal unlocks the full special week. The last one aside, this next choice is the first that starts to affect the subsequent endings later. Ultimately, every choice starting now "advances" the player no matter what, and it will be the amount of advancement that dictates the endings in most circumstances. This is also the only choice that essentially leads to the same sequence.

Agree to wear the slutty
clothes
Foot fetish, lesbian
(Advancement +2)

Don't agree to the slutty
clothes
Foot fetish, lesbian
(Advancement +1)

Advancement of 1 will only lead to a smooch. Advancement of 2 will lead to the first physical enhancements.

Sunday

The purpose of the day's choice was to have Kylie unwittingly cling to masculinity (something else) or learn of her revised sexuality (day at the spa). For the latter, that is focused on a possible subplot involving "Spa Guy" Jason. However, just spending the day with Rebecca here does provide some of her rather lustful backstory.

OK [Day at the spa]
Foot fetish, MFF
(Advancement +2)
(Spa Guy +1)

Let's do something else
Foot fetish, lesbian
(Advancement +1)

A total Advancement of two will lead to some physical enhancements. Any higher total will lead to Kylie becoming physically athletic. This latter possibility will only be achieved once, at the time Kylie first surpasses two Advancement points.

Monday

Like with the prior day, Kylie's other idea leads to some character development for Rebecca, albeit to a lesser extent. The choice, however, directly explores Kylie's feminine form via having Rebecca look like Kylie. Rebecca's push to meet up with Jason either leads to a further exploration of Kylie's revised sexuality or discovery of it, depending on the day before.

OK [Spa Guy plus one]
Foot fetish, MF/MF
(Advancement +2)
(Spa Guy +1)

Kylie has another idea
[fucks herself]
Foot fetish, lesbian
(Advancement +1)

If total Advancement is less than six — and muscles were already given, Kylie and Rebecca just make out as a reward. If the advancement is a total of six, Kylie's body will be further enhanced, basically all but developing and hourglass physique.

Tuesday

Now is where the story's events may start to vary more than *A or B*. If the player has more than five Advancement points and chooses to spend more time with Rebecca, then Kylie makes love to a *futa* Rebecca. Otherwise, they make love as lesbians (woman and tail-clad Demoness). The other choice is either a further exploration of sexuality or discovery, depending on if Kylie already met Jason. It is also a straight-up orgy. Regardless of choice, Rebecca makes herself and Kylie permanently compatible mates.

OK [Anal Orgy]
Foot fetish, anal, gang bang, creampie
(Advancement +2)
(Spa Guy +1)

Spend more time with
Rebecca
Foot fetish, lesbian, creampie
[futa version possible]
(Advancement +1)

If Kylie's Advancement is less than eight, the enhancements only now lead to all but an hourglass physique. If her Advancement is eight, Kylie's figure is further

enhanced — closer to hourglass, as well as the growing sense of felling slutty from the week's events.

Wednesday

This is the only day, other than the first, where MF sex is not an option. Just spending the day with Rebecca here leads to Kylie being more dominant, albeit experimentally. It shows how Kylie can be more dominant, while Rebecca can be more submissive. This choice can thematically foreshadow Kylie's choices on Thursday. The other choice, conversely, can foreshadow and follow Rebecca's suggestions. It also leads to some backstory for Rebecca.

Go to the gym
Foot fetish, lesbian, gang bang
 (Advancement +2)

Just Rebecca's girlfriend
 [alpha female]
Foot fetish, lesbian
 (Advancement +1)

If the Advancement is less than ten, Kylie receives some more embellishments, but still not quite a true hourglass. If the advancement is ten, the further embellishments finally lead to a true hourglass physique, while not quite voluptuous yet. The slutty feeling starts to go deeper mentally. Kylie starts to also feel hazy. Rebecca also "paints" a hot pink highlight down Kylie's black hair.

Thursday

Even before the choice is presented, the morning can be quite a bit different if the Advancement is greater than eight. That level unlocks a futa BJ breakfast. If Kylie chooses to follow Rebecca's agenda, Kylie further explores or discovers her sexuality without Rebecca. Kylie following her own idea can have a dramatic effect on the ending. At the least, Rebecca becomes bound to Kylie. There is then a subsequent choice that may unlock the dark ending with evil Rebecca, as well as having dramatic effects on all characters. This path also explores the true depth of Rebecca's demonic power and intelligence that she herself did not explore prior.

If Kylie's advancement is less than twelve, there will be no further changes, and only a deep kiss (lustful if evil, loving if not). If Kylie's Advancement is twelve, she receives another hot pink highlight, as well as further embellishments that make her lightly voluptuous. Her sense of slut increases as well, with deeper thought becoming difficult in the increased haze.

Friday

The last day is of course heavily affected by the level of advancement and overall effects of the prior choices. The consequence of the Hell Path leads to a modified sequence for Rebecca's celebration, and a completely different sequence for Kylie's idea of celebration. Also, the Hell Path negates an afternoon threesome with Rebecca and Jason if Rebecca's celebration was chosen. Regardless, each path also features a bonus Advancement point. However, to receive the option for the bonus within Rebecca's celebration, Kylie will have to have had sex with Jason at least twice (there were four opportunities prior). These bonuses were created to make it possible, in most circumstances, to unlock higher Advancement endings in spite of following one or two Kylie-centric choices. Plus, it is symbolic of the fact Kylie might be loosened up enough to try something more in the last minute.

At the end, there are three possibilities for alterations on this last day of the deal. If the Advancement is less than thirteen, there are some subtle embellishments, and the slutty feeling. If the advancement is 13, (another) hot pink highlight, breasts become at least 34D, lips and ass grow more, voluptuous overall, and mental slutty haze is increased. If the Advancement is greater than 13, more hot pink highlights, 34DD breasts, incredibly voluptuous overall, and a deeply slutty and hazy mind.

Endings

There are a total of 15 possible Advancement points. In a future update, achieving that maximum number of points may receive some further acknowledgment. The Advancement, as affected by other choices, dictates Endings 2 through 5. Rebecca even recaps the week's events as chosen by Kylie, and reveals the ritualistic nature of it.

Variant A deals with the consequence of Binding Rebecca, while ending 3 provides a bonus choice on if Kyle/Kylie wants to stay Bound.

Variant B revolves around if Kylie met Jason at least twice (de facto element of ending 5).

Variant C, The Hell Path, absorbs and supersedes endings 2-4, evil Rebecca adjusting accordingly to reach *her* conclusion of making Kylie her bimbo thrall and mate. This is built to be a dark reflection of Ending 5, which is not accessible via this path.

Kyle/Kylie Advancement level:

0 — Kyle

1 — Kylie, slim, small breasts, banana figure

2-6 — Kylie, minor enhancements

7-9 — Kylie, notable enhancements

10-12 — Kylie, distinct physical-mental changes, fuller figure, slutty

13 — Kylie, distinct enhancements, voluptuous, slutty, somewhat slower mentally, practically a bimbo

14-15 — Kylie, dramatic enhancements, very voluptuous, very slutty, slow and hazy mind, true Bimbo

Endings:

1) The normal path: 0

2) Long and happy marriage as “Kyle”: 7-9

3) Long and happy marriage with a lot of sex (chooses gender): 10-12

4) Long, happy, and very open marriage as a slutty bimbo: 13

5) The true path is forged to become Rebecca’s Demoness Bimbo Mate for eternity: 14-15
